📍 Ahmedabad

### SUMMARY

Enthusiastic BCA student with a strong foundation in programming, data structures, and algorithms. Seeking an internship to apply academic knowledge to real-world challenges and gain practical experience in web development.

### TECHNICAL SKILLS

Programming: Python, php, JavaScript, Html, Css

Databases: MySQL

### PROJECTS

#### online furniture Management System

Php, MySQL | March 2025

- Provides services like browsing, purchasing, and managing furniture collections, bringing style and convenience directly to users' screens.
- Perfect for furniture stores, interior design businesses, or home decor platforms
- Enhances user experience with detailed product views, smart filtering, and a seamless shopping process.

### EDUCATION

#### Bachelor of Computer Application

BCA - Shree Umiya BCA College, Gujrat University - 2025

#### Higher Secondary School

Vidhyanagar Girls High school - 2022 - 74.00%

### Leadership

Took the lead in multiple group projects, making sure everyone worked together and finished tasks on time.

### Experience

As a fresher, I have not yet held formal positions, but I have actively worked on various academic projects and

self-initiated tasks that have helped me build strong technical skills. Through these experiences, I have:

- Collaborated with peers on developing and deploying web applications.
- Applied problem-solving skills and teamwork through group projects and coding challenges.
